Dear Sirs

In view of the withholding of essential data by Professional Standards Department of Kent Police with regard to Complaint CO/999/23 and no commitment to negotiate an out of court settlement of the matter by the current Chief Constable of Kent Police, I have been left with no choice but to reapply for the arrest warrant on the present Chief Constable at East Kent Magistrates Court (Folkestone Magistrates Court) as linked here:

Application refused. Reasons: The applicant has not attended the listed hearing and I have decided to deal with the application on the papers. On the basis of the information contained in this application I am not satisfied that the requirements to issue a summons are met and I refuse to issue a summons accordingly. The application for a summons is defective and the informations are not properly laid. The applicant has not named the proposed defendants or clearly identified the offences alleged against each. The applicant has failed to provide any legal or comprehensible factual basis for a summons to issue for any offence. I find that the attendance of the applicant at a future hearing would not remedy these defects

DEFENCE STATEMENT ON HARASSMENT OFFENCE

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.
2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.
3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was hijacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.
4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.
5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.
6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.
7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

Reality fully realised at 5.00 pm on the 9th of May 2024; the author is not charged with any offences, and his grievances against the agents of persecution numbering 1000 or so individuals and institutions will continue to be prosecuted at East Kent Magistrates Court but for the fact that the evidence collection will be long and arduous process that is agreed with his barrister Forz Khan (Counsel). Dear Sir/Madam

We require all the Case papers that was the basis of the decision not to issue summons; since then I was arrested on 5 occasions and was coercely interviewed in the Police Station on a further two occasions by Kent Police acting under the authority of the Chief Constable of Kent Police. I can rectify some of the entries in the Extract of the Magistrate such as the names of the individual officers involved in the Hate Crime that subsequently was waged on me as given in the attached: ChargeRefusedCertificatefromKentPolice.pdf but do not know what the rest of the Case papers were which led to the original decision. Could you provide this for me now please?

Experimenting with different nicotine levels helps you find your ideal strength. Start with how to pass a nicotine test if you vape a moderate nicotine level and adjust as needed. This process allows you to gauge your body's response.

Your Honour

As you must be aware from the previous uncertainties that I had expressed, perhaps the East Kent Magistrates Court is not responding to my submission on the private prosecution of Kent Police's Chief Constable because it has ascertained that the misappropriation of Law Enforcement by Him/Her is not a criminal matter but a civil matter under your jurisdiction or the jurisdiction of the Kings Bench Division of the High Court (Case No HQ17XO1773). I am ruling out Medway County Court where I had instituted an Injunction against the Chief Constable of Kent Police with a Money Claims (Case No J00ME572) application with no resulting outcomes for me; but just in case things have changed in recent times I am copying this email to these Courts to be on the safe side so that progress is in one direction only, namely the cause of justice.

Dear IOPC

I was just reflecting on the redaction xxx in this email was so checked my record of the email to see that it was 'Kent Police and Coconspirators' For this reason and the fact that 'Saving Grace' and 'The Essence of the Matter' had to be removed for legal reasons from the link : <https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/what-have-you-all-to-say-about-this-story> and <https://theallurementofrealityinreview.com/shop> is not free as books are for sale purposes only, you will find the names or all the Conspirators of Kent Police who terrorised me as well as the contents of the link for your assessment here: <https://archive.org/details/@panigrahi491>.

The Chambers of F Khan - Complaints Procedure

1. Our aim is to give you a good service at all times. However, if you have a complaint you are invited to let us know as soon as possible. It is not necessary to involve solicitors in order to make your complaint, but you are free to do so should you wish.
2. Please note that Chambers will only consider complaints that are raised within 12 months of the act or omission complained of.
3. There may be occasions when the nature or circumstances of a complaint make it more appropriate (e.g. because the complaint might raise an allegation of professional misconduct) to be dealt with by the Bar Standards Board or the Legal Ombudsman rather than through this complaints procedure. If we reach this conclusion in relation to any complaint we will tell you promptly. It will then be a matter for you to decide whether you wish to raise the complaint with the Bar Standards Board or the Legal Ombudsman. The contact details of those bodies are given below.

Complaints Made by Telephone

4. You may wish to make a complaint in writing and, if so, please follow the procedure in paragraph 6 below. However, if you would rather speak on the telephone about your complaint then please telephone F Khan. F.Khan will make a note of the details of your complaint and what you would like done about it. He will discuss your concerns with you and aim to resolve them. If the matter is resolved he will record the outcome, check that you are satisfied with the outcome and record that you are satisfied. You may also wish to record the outcome of the telephone discussion in writing.
5. If your complaint is not resolved on the telephone you will be invited to write to us about it within the next 14 days so it can be investigated formally.

Complaints made in Writing

6. Please give the following details:

- ☐ Your name and address;
- ☐ The detail of the complaint; and
- ☐ What you would like done about it.

Please address your letter to F Khan, The Chambers of F Khan, 19 Glenwood Road, Hounslow, TW3 1SW. We will do our utmost to deal with the matter expeditiously.

8. Mr Khan will reply to your complaint within 14 days. If he finds later that he is not going to be able to reply within 14 days he will set a new date for his reply and inform you. His reply will set out:

- ☐ The nature and scope of his investigation;
- ☐ His conclusion on each complaint and the basis for his conclusion; and
- ☐ If he finds that you are justified in your complaint, his proposals for resolving the complaint.

The Legal Ombudsman has set a period of 8 weeks within which a legal services provider should respond to a complaint. This is the date by which we will get a final response to you.

Confidentiality

9. All conversations and documents relating to the complaint will be treated as confidential and will be disclosed only to the extent that is necessary. Disclosure will be limited to anyone involved in the complaint and its investigation. The Bar Standards Board is entitled to inspect the documents and seek information about the complaint when discharging its auditing and monitoring functions.

Our Policy

10. As part of our commitment to client care we make a written record of any complaint and retain all documents and correspondence generated by the complaint for a period of six years.

Complaints to the Legal Ombudsman or the Bar Standards Board

11. We hope that you will use our procedure. However, if you would rather not do so or are unhappy with the outcome you may take up your complaint with one of the other bodies designated to hear complaints against barristers. These are the Legal Ombudsman (who deals with complaints from clients of barristers about the services provided by barristers) and the Bar Standards Board (which deals with complaints about professional misconduct and disciplinary matters). The Legal Ombudsman acts as a single point of contact for all such complaints, and will ensure that any complaints that relate to professional misconduct are referred to the Bar Standards Board to deal with.

12. Complaints must be referred to the Legal Ombudsman within the time limits set out in the Legal Ombudsman Scheme Rules, which ordinarily means no later than six years from the act/omission about which complaint is made; or three years from when the complainant should reasonably have known there was cause for complaint.

13. The contact details for the Legal Ombudsman and the Bar Standards Board are as follows:

Legal Ombudsman, PO Box 6806, Wolverhampton, WV1 9WJ

 Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find

further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

Dear Dr Panigrahi

Thank you for your email.

You and your case are clearly very important. It is vital that a lot of time, effort and energy are spent on the case in order that justice is done for you.

Unfortunately, I am very busy at the moment working on a number of big cases which are taking up all of my time. I am thus unable, in the circumstances, to take any new instructions at the moment due to the volume of my workload.

Kindest regards.

 The Circuit Judge
 Central London County Court

Your Honour

As you must be aware from the previous uncertainties that I had expressed, perhaps the East Kent Magistrates Court is not responding to my submission on the private prosecution of Kent Police's Chief Constable because it has ascertained that the misappropriation of Law Enforcement by Him/Her is not a criminal matter but a civil matter under your jurisdiction or the jurisdiction of the Kings Bench Division of the High Court (Case No HQ17XO1773). I am ruling out Medway County Court where I had instituted an Injunction against the Chief Constable of Kent Police with a Money Claims (Case No J00ME572) application with no resulting outcomes for me; but just in case things have changed in recent times I am copying this email to these Courts to be on the safe side so that progress is in one direction only, namely the cause of justice.

Dear Mr Forz Khan

I understand that you are busy with some big cases right now so cannot devote the time, energy and effort to get me to the justice that I so clearly am striving for, but the private prosecution of the Chief Constable of Kent Police must continue when you are less busy due to the fact that I have not had an acknowledgment from Parliament to the referral below. It clearly indicates that the legal process is not exhausted.

These are not new instructions to you but the continuation of the case progression in terms of the collection of all the required evidence accurately that you asked me for very recently in order that you would mount a successful Appeal for the Arrest Warrant on the Chief Constable of Kent Police at Folkestone Magistrates Court.

I need to update my readers here: <https://www.thelibertariandemocrats.com/forum/diary-of-the-author/10-may-2024-22-41-pm-uk-time> if you would be so kind as to respond to this email.

Added the following two paragraphs in the book-document 'NOT UPSETTING THE APPLE CART' in The Diary of the Author category of Libertarian Democracy, as follows:

06.38 am (UK-Time) 11 May 2024

'As I have indicated recently: I will as the Leader of the Conservative Libertarian Party of the United Kingdom make it impossible for the Monarch to persecute an individual citizen as I have been over the past 26 years: <https://www.theconservativelibertariansociety.com/post/is-the-conservative-libertarian-party-of-the-united-kingdom-tclp-uk-a-pro-republican-movement> ; <https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/revolutionising-the-process-of-justice-implementation-in-the-united-kingdom>

With the evidence that I have of structural Monarchical interference in the Judicial and Law Enforcement Systems of the United Kingdom, if I fail to get a Hearing of it in the Central London County Court under Claim E35YM660 or in Folkestone Magistrates Court under Case Number:

2100022559 for the civil and criminal proceedings respectively and get due justice, The Conservative Libertarian Party would have no choice but to become a Republican Party.'

Comments:

The silence shows that both the judicial cum law enforcement systems as well as the democratic system in the United Kingdom are subservient to the authority of the Monarch and is therefore no fight for justice or democratic reforms. Monarchial influence in the decisions, rules and rights of the population permeates the length and breadth of society that I uncovered by virtue of my first petition to the Monarch of the day Queen Elizabeth II around 2000, and her decision to 'delegate' responsibility to the then Lord Chancellor Lord Irvine of Lairg was deceitful in retrospect. But I was persecuted even earlier when in the University of Greenwich from 1997 with the calamitous decision to suspend me from work and subject me to a kangaroo court disciplinary Hearing in the summer of 1998. So it would seem logical that Monarchial supervision of the work that I was engaged in at the University and its associates were all part of the government of the nation. Further my application to return to India, my birthright was itself subjected to Monarchial control so much so that a dozen applications for asylum in other

countries were met with a blank wall of silence, with only France agreeing to entertain the application. The countries that I applied to were clearly all manipulated to deny me asylum. This includes the United Nations High Commission for Refugees. All the institutions to which I took my case for justice such as the European Union, The European Court of Justice, The International Court of Justice and the International Criminal Court, as well as the Security Council of the United Nations were similarly countered by Monarchial mechanisms.

PREFACE

When living under a Monarchy and finding over a 26 year period of suffering intense persecution involving persecution that took the form of police brutality on the author, MI5/MI6-engineered trolling terrorism that he described as Satan-evil to incarcerate the author to boot him out of the country or in a mental institution for a third and almost certainly irreversible time and worse of all concocting and framing offences by repeated arrests, victimisation for living under a different religion (Hinduism) to that of the Monarchial State (Anglican Protestantism), obstruction of justice that took the form of perverting the course of justice, all because he sought basic justice, marginalising the author out of the democratic structures of State, the Conservative Libertarian Party of the United Kingdom was created by the author as a Republican Party on the grounds of conscientious objection to the status quo in the country. The State authorities operate totally secretly without a written Constitution keeping the population in complete darkness and so fooling them with the façade of structured democracy with establishment parties involving career politicians representing people in Parliament. Most intolerably of all the Judicial and Law Enforcement and Regulatory processes are manipulated against a Conservative Libertarian to stop him accessing justice.

There is no common ground to engage with such manifestations of Monarchy in terms of actual people who are mere jobsworth individuals doing as they are told.

A NEW REPUBLICAN MOVEMENT BORN IN THE UNITED KINGDOM

At midday on Saturday the 11th of May 2024, The Conservative Libertarian Party of the United Kingdom formally became a Republican Party. PREFACE

The landline rang from someone at around 15.00 hours on the Saturday afternoon: no one answered it. It could have been Kent Police responding to the email that I sent Professional Standards Department copied to Mish Mishemwa Investigating Officer on Complaint CO/999/33 and Forz Khan, or just the State authorities through their own means informing of their decision. Let me see.

A reminder letter had come from Parkingeye about the £100 parking fine. I agreed with Rashmi that we should pay it because Rupa had received an email from Holiday Inn that her application and interview is still being considered. I went online and paid what turned to be a £60 fine:

Mr Forz Khan

With regard to the linked matter, there is still the outstanding query of whether you had led me astray in the 2021 contractual arrangement that we could prosecute successfully the Chief Constable of Kent Police, for all the evidence that I have collected thus far indicates otherwise in that the Police and the Prime Minister are under Crown immunity from civil litigation and criminal prosecutions:

<https://www.thelibertariandemocrats.com/forum/diary-of-the-author/11-may-2024-16-25-pm-uk-time>

On the other hand it may be possible that you were not deliberately taking £3000 from me on false pretences, and that you were as much in the darkness on the Constitution of the United Kingdom as I was when I got encouraged by the preliminary decision of Folkestone Magistrates Court sitting to consider the arrest warrant matter as attached: Extract of refusal (Chief ConstableKent Police.pdf).

If you would clarify which is correct, then this matter need not go the Legal Ombudsman for your Chambers deliberately misleading a client.

Since you have not replied to my latest emails to you, I am copying this to the Legal Ombudsman to investigate.

Yours sincerely

Application refused. Reasons: The applicant has not attended the listed hearing and I have decided to deal with the application on the papers. On the basis of the information contained in this application I am not satisfied that the requirements to issue a summons are met and I refuse to issue a summons accordingly. The application for a summons is defective and the informations are not properly laid. The applicant has not named the proposed defendants or clearly identified the offences alleged against each. The applicant has failed to provide any legal or comprehensible factual basis for a summons to issue for any offence. I find that the attendance of the applicant at a future hearing would not remedy these defects

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find

further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

With the lack of a reply from barrister Forz Khan to the Complaint on his services and equally the lack of acknowledgement by the Legal Ombudsman on the Complaint for it to investigate Mr Forz Khan's processing of my private prosecution of the Chief Constable of Kent Police, this was the end of the matter: The Conservative Libertarian Party of the United Kingdom can proceed as a Republican Party.
